termination of lease guide

1. Hello
   We will contact you towards the end of your lease to confirm if you’re renewing.

2. Oh no! You’re leaving!
   Please let us know in writing, at least 8 weeks before your lease expires.

3. Your portfolio manager will book an outgoing inspection with you for the last day of your lease.
   (And confirm suitable viewing times).

4. Before your final inspection, remove all furniture and give your home a good clean!

5. Return your home as you received it (or even better!)
   You will be advised of any tenant costs to get the house back to its original state.
   (Less fair wear-and-tear of course)

6. The inspection is completed, keys are handed back, and that’s that!

7. Your deposit and interest will be returned to you in roughly 14 days once all municipal accounts are settled.

8. Bye!! We hope to see you again soon!
   Speak to us to help you relocate.
